

**Bartra Wealth Advisors Partners with Shanghai Sunrise to Provide CareerStart “First Job Kits”  
For Underprivileged Youth in Need**

**SHANGHAI, Wednesday 4 July 2018** – Volunteers from Bartra Wealth Advisors were hard at work today during the first packing party to create and assemble “First Job Kits” for underprivileged youth in Shanghai. The kits were filled with work essentials provided by the generous team at Bartra, including stationery kits, USB sticks and a CareerStart directory of online resources. Kits also included a motivational quote and a handwritten letter to each student by the volunteers, to inspire them as they take their first steps into the workforce.

Approximately 50 underprivileged youth from Shanghai Sunrise’s student sponsorship program will receive the “First Job Kits” at the charity’s CareerStart program on Saturday, 14 July 2018. Coinciding with World Youth Skills Day, CareerStart is Shanghai Sunrise’s annual workforce readiness program that provides practical training and information about getting that first job and developing the skills needed to keep the job. The day will include a series of talks by volunteer recruitment professionals as well as CV-Writing and Internship Corners and lunch for all the students.

Amber Aldred, Executive Director of Shanghai Sunrise commented, “It is a privilege to partner with Bartra Wealth Advisors in the work we do together. My heartfelt thanks to all the Bartra volunteers that attended the packing party, for their hard work, compassion and continued dedication to empowering young people through education.”

In 2017, Bartra Wealth Advisors set out with Shanghai Sunrise on a journey to transform the futures of young people in need. Since then, they have committed to sponsoring the high school education of 20 young students who otherwise would not have had the chance to attend. They have shown great commitment to improving the lives of underprivileged youth in China.
